Welcome Dinner Presentation

4:00 PM REGISTRATRION

Because we ALL have a hand in Health Equity

Advocacy begins with you and your family; beginning from the time you are a child and throughout your life. Hear from our team of dedicated community members. Learn what they have discovered and share in the conversation.

Educational sessions for adult, teens and kids

9:00 AM - 4:00 PM

Understanding and Removing Barriers to Achieve Health Equity for the Rare Disease Community and Bleeding Disorders

We will hear from experts in the field of bleeding disorders from healthcare access and health equity, discover what is needed in our 2023 legislative session, and learn how mental health can affect ones quality of life and more. After a morning and afternoon of learning, enjoy time with family and friends within the community visiting the beautiful historic Charleston. Return for our closing dinner presentation at 7:00pm.

Wrap-up Sessions

9:00 AM - 11:00 AM

Moving Forward

Change takes time, and like stepping stones, we must work together taking one step at a time. What are the next steps we need to take as a community? How can we work together with all local, state, and national policy makers to achieve health equity with quality healthcare outcomes. Hear how you can educate those in need with your experiences of living with bleeding disorders. Learn to share your story effectively!
