Bleeding Disorders Association of South Carolina 2023 Sponsorship and Charitable Donations Opportunities

Bleeding Disorders Association of South Carolina (BDASC) would like to offer the following opportunities for charitable donations, grants, and sponsorship opportunities to support the bleeding disorders community of South Carolina. We wish to take this opportunity to thank you for your past considerations and support, and for the opportunity to work with you today and in the future. Your support further allows us to accomplish our mission of education, supportive services, and advocacy awareness to individuals and their families in South Carolina and members of BDASC that are affected by hemophilia, Von Willebrand Disease, and other rare bleeding disorders. The needs are complicated and support is necessary for this unique population.

The listing below represents our currently planned large event opportunities for 2023. However, we are always adding to our programs and services throughout the year so additional support and opportunities may be available later. Please check our website often and feel free to make an appointment to see me at any time throughout the year to discuss additional opportunities you may have to offer. Additional support group and educational opportunities will be scheduled throughout the year and we be available as our calendar allows. Thank you for your commitment to our mission and the South Carolina Community!

Our Tax ID: #23-7400632

All funding **must** be provided to BDASC prior to attending, unless a signed contract or written document outlining the level of support is secured by the executive director. Company marketing per sponsorship level is only guaranteed if written confirmed commitment is provided to the chapter 30 days in advance of the event start date. If the event has an exhibit table, assignments are placed for optimal exposure per sponsorship levels and upon the order of written confirmed commitments. **Payments preferred to be made by check or electronic bank transfers. If using our online PayPal, you will be responsible for the fees that we are charged. Please notify the Chapter prior to the payment so we can estimate your additional costs.
