

# 2023 MEN AND WOMAN'S ADULT HEALTH EQUITY & MEDICAL SYMPOSIUM

MARCH 31 – APRIL 2, 2023, Greenville, SC

**AC Marriott Hotel  
Greenville Downtown**  
315 S. Main St.  
Greenville, SC 29601

We are excited to provide this weekend symposium to our adult members, ages 21 and over, who are living with bleeding disorders themselves, are carriers of a genetic bleeding disorder, or are caretakers for someone in their immediate family who is affected. We wanted to bring all adults into the event so couples can take a weekend away from the kids, single men and women can enjoy time with community members for fellowship and support, and everyone can enjoy being connected while learning in an atmosphere of beauty and opportunity, such as downtown Greenville.

With the success of our Inaugural Women's Retreat in 2022, we are extending this same opportunity to our men. There will be time alone for men and women to learn and also time for collaboration as adults. Sessions being considered:

- Sessions for affected men: fathers, and caretakers
- Sessions for affected women: mothers and caretakers
- Sessions for our VWD and Rare Community
- Session on new innovative treatments; what is upcoming for this community
- HEDI Working Group Updates
- Mental Health Support
- Art Therapy and Relaxation Techniques / Yoga
- Manufacturers and Homecare Exhibits for exploring treatment therapies and services
- and more!

## Registration Closes March 10th
