

Sharing the power of protection.

Get ready for our One Family program.

With the right information, the global hemophilia community can take steps to feel more connected and protected. That's what this year's One Family program is all about. Here, you can engage in interactive, hands-on activities and opportunities to learn about:

1. Factor activity, pharmacokinetics, and why they matter
2. Bleed protection and lifestyle
3. Telling your story as a form of self-advocacy
4. The importance of community connection

Join us for an empowering and educational experience. RSVP today.

When:

Monday, April 17, 2023 06:30 PM - 08:30 PM EDT

Where:

The Westin Poinsett Hotel
120 South Main Street
Greenville
SC
29601

RSVP:

Contact your local chapter.
