

September 12, 2023

**Bleeding Disorders Association of South Carolina
Bleeding Disorders Advisory Committee (BDAC)**

**Agenda
September 12, 2023
In Office and Virtually (link below)
10:00am – 11:30pm
[Register here!](#)**

The goals and objectives of the BDAC are to assist in the services, educational, and the advocacy needs of the South Carolina bleeding disorder community. It is comprised of individuals who look to enhance the quality of life for those affected by bleeding disorders and to support the Chapter's mission of education and supportive services. The BDAC addresses the unique needs of the community and works to find solutions in partnering with the Chapter by providing quality input and assistance for high valued programs, education, and support services.

3) Chapter Concerns: The Importance of Successful Partnerships

Mutual Benefit

In a mutually beneficial partnership, each partner takes an active interest in the other, while working together to develop shared success. A balanced commitment and investment from each party ensure the partnership will drive impact, innovation, and longevity in overall returns. Know that if both parties commit to this, you're giving each other a competitive edge. In the end, a mutually beneficial partnership can truly add up to more than the sum of its parts if each party stays focused on the end goal.
