# Fall Advocacy Summit

## ACCESS TO CARE & TREATMENT

**November 10th-11th, Greenville, SC**

Join the South Carolina Advocacy Coalition, Ambassadors, and members of the community as we come together to celebrate the advocacy work of the many members of the bleeding disorders community who work hard to address barriers in access to care and treatment, and to raise their voices of concerns to promote change. Learn how to be involved and what you can do to shape the future of treatment care for all affected by bleeding disorders in South Carolina and around the nation. Registration is limited and hotel rooms are provided for traveling guests. All meals provided.

Private Dinner Event at:

21 E Coffee St.  
Greenville, SC 29601

Leadership and advocacy programming for our tweens and teens will be provided along-side adult programming. Learn how our tween/teens and young

adults can share their stories and raise their voices in support of our bleeding disorders community. Learn how to advocate for yourself and others as you transition through life into adulthood.
