The goals and objectives of the BDAC are to assist in the services, educational, and the advocacy needs of the South Carolina bleeding disorder community. It is comprised of individuals who look to enhance the quality of life for those affected by bleeding disorders and to support the Chapter's mission of education and supportive services. The BDAC addresses the unique needs of the community and works to find solutions in partnering with the Chapter by providing quality input and assistance for high valued programs, education, and support services.
