

WHY CAMP?

Our Camp Mission: We believe summer camps for children and teens living with bleeding disorders are very important. Summer camps help develop self-independence skills and allow for the opportunity to build life-long friendships with individuals who understand what it is like to live with bleeding disorders.

SUMMER CAMP

For Kids With Bleeding
Disorders

Join us for a fun-filled
summer of learning,
exploring, and growing!

TRAVEL GRANTS FOR CAMP

BDASC will provide summer camp support to families who have children attending summer camps upon request.

The Chapter will

provide travel grants or other needed items to help

offset the cost of sending a child to camp. We partner each year with Camp Burnt Gin and the Hemophilia Treatment Center staff, and Camp Courage from the BILO Charities Children's Cancer Center in Greenville to provide mentoring support for campers. We assist with encouraging the need to learn self-infusion and we share encouraging stories and experiences. We provide each camper with a commemorated Chapter Day T-Shirt and Swag while providing the entire camp, counselors, and staff with our famous "Ice Cream Social".

CAMP BURNT GIN WEDGEFIELD, SC

*Kids & Teens with Bleeding Disorders
(Hemophilia, vWD, Sickle Cell)
Ages 7-15 yrs*

Camp Burnt Gin, operated by SC DHEC, is a residential summer camp in Sumter County for children and teens who have physical disabilities and chronic illnesses. The session for campers with blood disorders is offered in partnership with the Prisma Health Midlands Hemophilia Treatment Center.
