# You're invited!

## Join us for a World Hemophilia Day 2024 generation celebration

This community shares a connection that spans generations. Our 2024 One Family program is a celebration of the bond that comes from living with hemophilia: young and old, near and far, where we are now and where we want to be. RSVP today to join us for hands-on activities like:

- Personal time capsule kits
- Selfie stations and DIY photo frames
- Wish ribbons for the global community
- Space to share your story and voice

**It's all happening on World Hemophilia Day.**

**When:**

**Where:**

Hilton Convention Center
