

# A gene therapy presentation you won't want to miss

## HEAR ONE PATIENT'S EXPERIENCE—LEARN HOW TO GET STARTED AND WHAT QUESTIONS TO ASK YOUR DOCTOR

**Gene therapy has arrived!** Join us for a one-hour virtual presentation on **March 23rd at 9:00am ET** to hear how gene therapy is designed to work and why eligibility testing is the first step on the gene therapy journey. We'll share the findings from a clinical trial and what they could mean for you.

### Date and Time

March 23rd at 9:00am ET
