

Charleston Community Back to School Event

Join us in Mount Pleasant for the Charleston Community Back to School Event. We will have lunch, education and activities!

Educational Presentation:

Adherence- never easy, always necessary. The focus of the discussion will involve the importance of adherence and why it matters in the school setting and later in life and in the professional world.

Presented by: Cladio Sandoval, MD, Senior Director, Scientific and Medical Affairs- Hematology, Octapharma USA

August 24th, 2024
@ 10:30am
