# Meet our Business Partners

## ThermoFisher SCIENTIFIC

Push the boundaries of what's possible throughout research and discovery, process development and optimization, clinical trials, and commercialization and production. From equipping your lab to launching your commercial therapy, trust Thermo Fisher for the products and resources you need to get to market faster. Let us help you overcome challenges and navigate risk while prioritizing your goals as an innovator in biotech.

At Metromont, we have a long history of bringing people together to create innovative, high-quality processes and products. We treat everyone we work with as a member of our own family, working for excellence as we provide outstanding service and products the entire team can be proud of. Today, we are one of the largest precast concrete producers in the country, and we got here by honoring our past, providing the best products and the best service, and embracing the future. Along the way, we've found success by maintaining our focus on our core values: faith, honor, and passion.

novo nordisk

Novo Nordisk is a leading global healthcare company, founded in 1923 and headquartered in Denmark. Our purpose is to drive change to defeat diabetes and other serious chronic diseases.

## Genentech

A Member of the Roche Group

Genentech is a biotechnology company dedicated to pursuing groundbreaking science to discover and develop medicines for people with serious and life-threatening diseases. Our transformational discoveries include the first targeted antibody for cancer and the first medicine for primary progressive multiple sclerosis.

## ♥ CVS specialty®

Over the past five years, we have managed more Oncology, Rare Disease, and Gene Therapy limited distribution product launches than any other specialty pharmacy. We provide broad patient access and our solutions are customized for your product.

We offer a wide range of insurance plans and products that focus on all aspects of your well-being—physical and emotional.

## CSL Behring

Biotherapies for Life™

CSL Behring is a global biotherapeutics leader driven by our promise to save lives. Focused on serving patients' needs by using the latest technologies, we discover, develop and deliver innovative therapies for people living with conditions in the immunology, hematology, cardiovascular and metabolic, respiratory, and transplant therapeutic areas.

Bayer is a global enterprise with core competencies in the life science fields of healthcare and nutrition. We design our products and services to help people and planet thrive by supporting efforts to address the unprecedented global challenges presented by a growing and aging global population.

HEMA Biologics is a privately held biopharmaceutical company focused on the rarest bleeding disorders. We aspire to support patients living with these disorders, partner with the broader community that cares for them, and bring meaningful treatments and services to help better their daily lives.

Our mission is to create value for our clients by constructing cost-efficient projects that meet or exceed expectations for safety, quality, schedule, and performance. Our business focus is on mechanical and electrical system construction, system upgrades, and system maintenance for industry clients that utilize heavy mechanical processes.

## Jacobs

At Jacobs, we're challenging today to reinvent tomorrow by solving the world's most critical problems for thriving cities, resilient environments, mission-critical outcomes, operational advancement, scientific discovery and cutting-edge manufacturing, turning abstract ideas into realities that transform the world for good.

## MCKESSON

As a diversified healthcare leader, our solutions help patients access life-changing therapies, create a real difference for patients with cancer, and equip pharmacies, health systems and clinics with technologies to operate more effectively. We do all of this and much more as we pursue our mission to improve health outcomes for all.

# Meet our Business Partners

Logan's Roadhouse of the Carolinas was founded in 1997 by Charles F. (Chuck) McWhorter and family. Logan's focuses on a limited menu in order to provide higher quality, freshness, and value. With an unwavering focus on food quality and freshness, Logan's has its own professional meat cutters who hand-cut steaks from fresh USDA Choice inspected Midwestern, corn-fed beef and age in-house to ensure perfection.

## CENTURY

Since 1975, Century Contractors has built an outstanding reputation by doing things right, and more importantly, treating people right. We're known for being able to take a project from concept to completion, on-time and on-budget. But it's our honesty, safety and empowering business culture that sets us apart. Our low employee turnover and commitment to career growth have made us a go-to choice for clients and trades professionals who value a company that makes them feel like part of a family.

## SpecialtyCareRx

**Excellence is Our Specialty**

Specialty Care Rx is known for being the 24/7 high touch specialty pharmacy. We coordinate with payers, medical providers, and manufacturers that form only the finest healthcare teams. Our Specialty Care Rx team will handle all your insurance needs and work closely with your clinical team to make sure you are getting the proper medication and care.

Originally chartered as Fluor Mid-Continent Employees Federal Credit Union, HFCU now has the strength of over \$900 million in assets. We're strong enough to provide the full range of financial products and services that our members demand and desire, while providing exceptional service that's second to none. HFCU is a source of stability and strength because you, and thousands of members like you, have trusted us with your checking and savings, loans, investments, and more.

Since 1987, parent company Fuyao Group, has been producing outstanding automotive glass for the OEM & ARG markets. Now a global company and world leader in auto glass manufacturing, Fuyao's expansion into the U.S. marks a return to the midwest's manufacturing roots. Fuyao Glass America will continue Fuyao Group's tradition of high quality products and service, while better supplying North America's auto industry.

South Carolina

When you hear "BlueCross BlueShield of South Carolina," you'll see people nodding in recognition. Most everyone knows who we are. As the only South Carolina-owned and operated health insurance carrier, we have been offering security to Palmetto State citizens for more than 70 years. We are also one of South Carolina's largest employers.

Kevin Lucas is a graduate of Johnson & Wales Charleston, and was formerly the Executive Chef and General Manager of The Brown Street Club, as well as the Executive Chef and General Manager of The Corner Pocket Taproom. Today, you'll find him running The Bohemian Cafe with his wife, Jennifer.

Dearybury prides itself in being a leader in the wholesale distribution of petroleum products by providing on-demand products, solutions, and delivery to our clients while maintaining consistent, competitive pricing and exceptional customer service to all of our many customers and partners.

DrugCo Health is a specialty pharmacy that is dedicated to taking care of each patient with the upmost respect. Our goal is to be a pharmacy, where not only medications are dispensed, but patients are taken care of in every aspect. We are devoted to ensuring complete patient care through our collaborations with physicians and payers. With DrugCo Health, you are not just a patient, you are family.

At TaylorMade, we pride ourselves on being willing to do anything and everything to make our golfers better – which starts with our talented and dedicated employees. We have a group of people who live, breathe and sleep golf, doing whatever it takes to make the best, most technologically advanced and highest quality equipment for our golfers.

Located in beautiful downtown Anderson, a rustic-chic haunt offering Southern comfort food with a twist, plus Sunday brunch & outdoor seating.

Our mission is to raise awareness for and advocate on behalf of persons with bleeding disorders and their families; provide education and supportive services; and promote ongoing research to improve the quality of life for those affected. We thank you for being our partners in this mission!

We extend a special thank you to our dedicated staff, board of directors, golf committee members, and volunteers who gave so much of their time and talents to make this event possible!

We would also like to extend a special thank you to all our 2024 Par for the Clot participants! We invite you all back to join us again next Fall. Thank you for the support!

## See you Next Year!
