

**BDASC**  
advocacy days  
2025

## February 25th-26th, 2025

Advocacy days begin at **4pm on February 25th** with our training evening and dinner. Legislative meetings take place on **February 26th from 8am-2pm**.

BDASC will be holding its 16th Annual Advocacy and State Legislative Days just before March as part of the National Bleeding Disorder Awareness Month. BDASC, along with our national partners, will be hosting advocacy training sessions leading up to the event. This important advocacy event fosters educational awareness with state legislators on the effects living with bleeding disorders can have on families. Health care access continues to be a threat to accessing high cost medications. We need YOU to help us share the impact this may have on the quality of life for those with bleeding disorders. You will have the opportunity to have important discussions and to ask for support on key areas of concern for access to affordable treatment care. These meetings are of key importance in helping our elected officials understand our communities unique needs while asking for support of our state programs that provide a safety net to those in need.

An advocacy training dinner is provided on **February 25th** in partnership with our national organizations; The National Bleeding Disorders Foundation, Hemophilia Federation of America, our stakeholders, and other local and national advocacy partners.

**Registration deadline for hotel rooms (while they last) and legislative meetings is February 7, 2025. Contact [Sue.martin@bda-sc.org](mailto:Sue.martin@bda-sc.org) for additional information.**

### Hotel Information:

Courtyard by Marriott  
Columbia Downtown USC  
630 Assembly St., Columbia, SC 29201

**Virtual Advocacy Days, Pre-State Days**  
**Training will be held on February 20th, 2025**  
**@ 7pm.** Please register to attend this virtual webinar if you are registered for State Days!
