

BDASC

Virtual Reach and Teach

Join us for a platelets, vWD and ultra rare support meeting!

Join the South Carolina Community as we come together virtually to connect, empower, and learn from experts in the fields of bleeding disorders and lived experienced experts (LEEs).

We will start off each meeting together, then break out into smaller groups. If you would like to share your lived experience, please reach out to Sue at the Chapter Office at 864-350-9941. We strongly encourage anyone willing to share their experiences to reach out.

Agenda

7pm: Meeting Begins with Welcomes & Introductions

7:15pm: Share Updates - trails, new products, etc.

7:30pm: Breakout Rooms - Share Lived Experience Stories

7:45pm: Breakout Rooms - Q & A

Don't forget about our Awareness Days in March!
