Join Us for an Unforgettable Weekend of Connection, Support, and Fun!

We're thrilled to invite our adult members, ages 18 and up (with an adult 21+), who are living with bleeding disorders, are carriers of a genetic bleeding disorder, or are caretakers of someone affected by a bleeding disorder to come together for a truly special weekend! This event promises to be a one-of-a-kind experience where you'll connect with others who share your journey, recharge, and make lasting memories.

Whether you're looking for a refreshing break from daily responsibilities, an opportunity to meet new friends, or a chance to strengthen the bond with your partner, this weekend is for YOU! Parents can relax and recharge, while single men and women have the chance to connect, share experiences, and support one another. Together, we'll celebrate our shared strength and support our von Willebrand community.

What to Expect:

- **Sessions for Affected Men:** Focused discussions for fathers and caretakers
- **Sessions for Affected Women:** Insightful sessions for mothers and caretakers
- **Sessions for the VWD and Rare Disease Community:** Specialized support and learning for our unique needs
- **Mental Health & Wellness Support:** Tools to nurture your emotional well-being
- **Relaxation Techniques & Self-Reflection:** Practical tips to recharge and reflect on your personal journey
- **Advocacy & Research Updates:** Stay informed on the latest advancements and advocacy efforts in the bleeding disorders community
- **Wrap-up Sessions & More:** Opportunities for final reflections and continued support

Group Activity & Dinner at Topgolf of Greenville:

On Saturday night, we'll enjoy an exciting group activity and dinner off-site at Topgolf of Greenville, sponsored by CSL Behring and BDASC. No need to worry about your golf skills—this event is all about having fun! Whether you're swinging a club for the first time or are a seasoned golfer, the atmosphere is relaxed and inviting. Each climate-controlled hitting bay offers year-round comfort, and you'll be able to enjoy the game while watching HDTVs in every bay and throughout the sports bar and restaurant. It's a great chance to unwind, connect, and enjoy a delicious meal together in a lively, upbeat setting.

This is your chance to take a well-deserved break while being part of a powerful community. Enjoy the beauty of the city and the opportunity to recharge your mind, body, and spirit.
