SYMPOSIUM

for men, women and couples
impacted by bleeding disorders

April 17th - 19th, 2026
Greenville, SC

We're thrilled to invite our adult members, ages 18 and up (with an adult 21+), who are living with bleeding disorders, are carriers of a genetic bleeding disorder, or are caretakers of someone affected by a bleeding disorder to come together for a truly special weekend! This event promises to be a one-of-a-kind experience where you'll connect with others who share your journey, recharge, and make lasting memories.

Whether you're looking for a refreshing break from daily responsibilities, an opportunity to meet new friends, or a chance to strengthen the bond with your partner, this weekend is for YOU! Parents can relax and recharge, while single men and women have the opportunity to connect, share experiences, and support one another. Register today and take a well-deserved break while being part of a powerful community. Enjoy the beauty of the city and the opportunity to recharge your mind, body, and spirit.

Join us for a weekend of inspiration, education, and connection. Sessions will be offered for men, women, couples, and young adults, featuring bleeding disorders education and support group sessions, health and wellness, nutrition, physical therapy, infusion clinic, treatment therapies and services, advocacy updates, and more.

Be energized by our keynote speaker, the legendary life coach, leadership trainer, and wellness expert, **Jim Stroker**, who will share heartfelt stories and powerful insights on resilience, family, and the strength of community. Jim shares how his own personal tragedy more than 30 years ago taught his family to conquer adversity and thrive—not in spite of it, but because of it. Jim is a certified emotional intelligence facilitator, wellness coach, motivational speaker, certified trainer, and yoga instructor. Come learn, be uplifted, and feel supported.
